Welcome to the website of Dry Dock Beach Houses on the sunny shores of Seaside Heights, New Jersey!
Less than 1/2 Block from the famous Seaside Heights Beach and Boardwalk. Located just north of Long Beach Island, Seaside Heights has a mile long boardwalk, nice beach and plenty to do. The Boardwalk is particularly popular with young people, and in 1999, 2002, 2009 and 2010 MTV picked it as the location for it's summer beach house, broadcasting from there all summer long. Just south along the ocean is Seaside Park, offering a quiet boardwalk, delightful beaches, and a variety of excellent dining experiences. Just south of these towns is Island Beach State Park. Complimentary use of the Swimming Pool facilities at our sister motels Skyview Manor, Dry Dock and Offshore for the pleasure of the guests of any of our houses or apartments. Most of our houses are only steps away from heart pounding and thrilling night clubs including BAMBOO, KARMA, MERGE, LUNA ROSA, HEMINGWAY'S and MORE... Conveniently located in the town center, our Houses and Apartments are a heartbeat (from 1/2 block) away from Seaside Height's beaches, boardwalk, restaurants, shops and amusement parks.
