Sun, Fun, and the Ocean! These are the reasons why people come to the New Jersey Shore! Our hotel, the Seaport Motel, is located only a short two (2) blocks away from the beach and boardwalk! Walk down the block to see the Jersey Shore House! Whether you are visiting with your family, friends, or even a large group, we are one of the best choices to stay. Clean rooms, DirecTv service, Wi-Fi and a Swimming Pool, with BBQ grill (yum!), are only some of the reasons to choose to stay with us! Everything from the Beach, Boardwalk, Bars, and Nightclubs are within a few minutes walking distance. The Seaport Motel is your place to rest and relax after a day swimming in the Atlantic Ocean, winning a prize on the Seaside Heights Boardwalk, or flying down the slide in Jenkinson's™ Breakwater Beach Waterpark! See you this summer!
