What Some Of Our Happy Clients Are Saying About Us And Our Services...Dear Colleen, I can not thank you enough for providing massages for our ER staff here at Virtua Hospital for the past 3 days. Comments about your technique were OUTSTANDING! You TRULY made others feel SO Good... as well as comments about how attractive you were by some of the guys (boys! lol!) I had to respond to by saying your Beauty was only outshone by your INCREDIBLY Sweet and Comforting and Friendly Personality and your incredible expertise, professionalism and ability! :) TRUTH! :) TRULY you all made this such a great experience! You took them out of their

ooo a 'massage" wink wink" ridiculousness into truly understanding the therapeutic benefits of a massage done well and professionally, ...AND they are STILL talking about how they wish it was a "regular" feature. Might have to see about getting you "on Staff" here! ;) Thank You Again, My Best, Dr. O Connel Dear Colleen, I wanted to take a moment to thank you for providing such a fantastic service. My friends bachelorette spa party went off without a hitch. As a resident of California, I was impressed at how readily you responded to all my West Coast calls and emails regarding planning an outstanding party for my friends and family. I was able to make all the arrangements via email and then when I finally flew into NJ, you had everything ready including spa party favors and a bride-to-be tiara. Everyone loved the at home massages - especially the heated massage bed and the mani's and pedi's were wonderful too! Thanks again for everything - we will definitely be using your services again in the future. Sincerely, Jenie V. Whitter California To whom it may concern: For years I had suffered from headaches and muscle aches and Bob had suffered from back pain. Massages had worked in the past, but it was frustrating traveling to a spa for a massage and then having to get in the car to drive home after we were all relaxed. We saw an ad for massage therapists who come to the house and thought this was just great. It's exactly what we were looking for. It's been over a year now of having 90 minute couple massages every other week and we are just overjoyed. Colleen is not only my therapist she has become a friend. We are very thankful to all Pampered Soul has done for us. We can finally relax at home after our massages. Thank you Pampered Soul! Farah & Bob Hi Colleen, I had a great time at my Spa Party, everyone is calling and emailing me as well. What a Fabulous idea to bring all my Gals together from all sides of me. Now all my friends are Friends. Thank You SO Much! Kris, Manahawkin
