Don't Miss The Magical Jersey Shore! Superstorm Sandy was very kind to our pristine corner of the Jersey Shore! We are open and ready for the business of making your stay exceed your expectations. Please help support the towns who were less fortunate than us, keep your tax dollars in NJ and support small businesses, as we all work together to Restore the Shore !!!The Evergreen Inn Bed and Breakfast has ten beautiful rooms and suites created for adults who want to get away from it all. Close your eyes for just a few seconds – take a deep breath and smile as you picture yourself on the boardwalk as the wind hits your cheeks. Pad down to the beach, wiggle your toes and feel the Spring Lake Beach sand, then shriek as the refreshing Atlantic ocean tickles your toes. Ahh, nothing is as soothing as the Jersey shore. Ok, open your eyes – you have got to get out of there! We know how you feel, and we are here waiting to make your stay at our Jersey shore bed and breakfast so enjoyable that you'll be counting the days until you return to your own special Spring Lake bed and breakfast – The Evergreen Inn – down the shore. It just couldn't be easier – pack a quick bag and jump in your car or hop on the NJ Transit Jersey Coast Line train to the Spring Lake Station – you'll be at our Jersey Shores bed and breakfast in Spring Lake Heights in no time. No passports, airline waits, worrying about language barriers or adapters for your hair dryer – heck, you don't even need your hair dryer. We
