Committed To Providing Honest, Professional, Quality Treatments In The Entire New Jersey Area Serving Monmouth County, Ocean County, Atlantic County, Middlesex County and Mercer County Specializing in Pest Control Treatments For: Termites, Bed Bugs, Mosquitoes, Ants, Carpenter Ants, Mice, Rodents and More! Our Team Of Highly Qualified Technicians Are Required And Trained To Follow A Strict Set Of Standards When Serving All Of Our Customers. We Here At Above All Termite And Pest Control Happily Practice These Standards ~ Above All !!! Our Business Motto Is To Strive Everyday To Live Up To Our Company Name ~ Above All !!! Our Promise To Our Customers:

1. Arrive to appointments on time: Being late to an appointment is frustrating to the customer. We require our technicians to arrive to each appointment on time. If the technician is running behind schedule, you will receive a call on the updated time.
2. A proper Introduction prior to entering the home. We value our relationships we have created with our customers. Being courteous, friendly and enjoying the customer relationship is important to our company.
3. Educate the customer on the treatment: An explanation of the service being provided, the areas where they will be treating and helpful information on how to avoid future infestations are required.
4. Provide a thorough treatment. The technicians are trained to properly treat each infestation to the Above All standards. The owner, Michael has trained each technician how he expects a job to be treated. He will visit periodically to make sure that the technicians understand the

procedures and are following his protocol. We value our team of exterminators and

have full confidence in each of them. 5. Go Above and Beyond. Our company has successful grown each year. We attribute much of this growth to our business motto of doing more than what is expected. We help our customers wherever it is needed. Knocking down spider webs, cleaning an infested area of pests or simply bringing in a garbage can from the curb, our team of professionals is always eager to go above and beyond for our customers. 6. Our customer service specialist will call our customers after each service provided to answer any questions or concerns or just to say Thank You!
